Dear Council Members,

Thank you so much for your very generous donation during the calendar year 2016 to The Arthritis Society and for your continuing support of the work we do in the community. The Arthritis Society continues to provide therapy services, education programs, chronic pain management workshops throughout the Province to ensure that help is available for people in our community who live with arthritis. This work is only possible with your kind support.

As an acknowledgement of your support enclosed is a certificate recognizing your Council as "Leaders of Hope". Once again, thank you for the work that you do in our community and for the generous support that you give to The Arthritis Society year after year.

Yours Sincerely,
