Larry,

Please extend to the Knights of Columbus the appreciation of the Saint Vincent de Paul conference of St. Leo the Great for their ongoing support.

Their recent cheque of \$500 helps us to assist our Neighbours in Need (NIN) who are facing difficulties in meeting their expenses and feeding their families.

Often one is faced with sudden unemployment, illness, separation and other unexpected circumstances which require a helping hand. Without your generosity and that of our parishioners we would be unable to function and give this necessary support.

**Thank you.
